

Graph::dijkstraShortestPath

```
graph LR; A[Graph::dijkstraShortestPath] --> B[Graph::getVertex]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Graph::dijkstraShortestPath'. The right box is white and contains the text 'Graph::getVertex'. A blue arrow points from the right side of the gray box to the left side of the white box.

Graph::getVertex
